

## **Railing and Misc. Metal Installer**

### **Full-time Field Installer Wanted**

We are a successful and fast paced architectural metalwork company in Philadelphia area seeking a full-time Lead Installer. Typical metalwork installations include: railings, stairways, doors, window guards, balconies, and misc metal products. Applicant must be knowledgeable in various installations methods. Carpentry experience a plus!

Applicant must also have the ability to read construction drawings and interpret design details, exceptional problem solving skills, be able to interact professionally with customers & office personnel and be able to work in a team environment. Minimum 5 years experience in metalwork installation, carpentry or related field.

### **We offer:**

- Bonus Program
- Medical Benefits
- Paid vacation & holidays
- Matching Retirement Savings Program

Candidate must maintain a safe, secure and healthy work environment while following quality standards and procedures. A valid driver's license and good clean driving record is required.

Our company is seeking career minded individuals as this is not a temporary position.
