Candidate must possess the following skills:

Minimum 5 years of fabricating experience relating to architectural metal work and demonstrated expertise in mig and tig welding welding of aluminum and steel.

### **Position Requirements:**

- Fabrication of railings, stairways, and miscellaneous metalwork.
- Primary materials used but not limited to; mild steel, stainless steel, and aluminum.
- Fabrication procedures include but are not limited to:
- Calculating cut list.
- Cutting of material with band saw, ironworker, grinder, etc.
- Beveling materials when required.
- Welding; tig, mig, or stick.
- Grinding and polishing when required.
- Cleaning finished fabrications when required.
- Drilling, milling, or swaging when required.
- Installation when required.

### **We offer:**

- Bonus Program
- Medical Benefits
- Paid vacation & holidays
- Matching Retirement Savings Program

Candidate must maintain a safe, secure and healthy work environment while following quality standards and procedures. A valid driver's license and good clean driving record is required.

Our company is seeking career minded individuals as this is not a temporary position.
